Memphis Student Binta Fall in 2nd Place in National Student-Athlete Competition

Binta "Bebe" Fall, a 10th grader at Mitchell High School is in second place in the Girls High School Division of the National First Serve Student-Athlete Competition, trailing the leader by only 10 points with 2 quarters of grades left to go.

(Pictured from left to right: Executive Director Stephen Lang, First Serve Memphis student Bebe Fall and First Serve Coordinator Aaron Mayo)

Bebe said "being number two in the nation is absolutely unbelievable. I would never have guessed in a million years I would be up for this scholarship. I have worked so hard to maintain my grades." She added that "being in the FSSAC has helped me tremendously. I am more dedicated than ever to improve my tennis."

The National Student-Athlete Competition is one of the programs of First Serve in which all chapters (including ours) participate. Report cards and tournament results determine points earned throughout the year, with more weight given to academics. Winners in each category (Boys and Girls High School and Middle School) earn annual scholarship funds (\$5,000 for first place and \$2,500 for second) to use for college.

Joining Bebe in the [national standings](#) are four students from our Whitehaven First Serve program: Cassietta Jones (4th place, Elementary School Girls), Gaylon Robinson, (5th place, Middle School Boys), Isaac Rogers (9th place, High School Boys) and Maegan Windless (10th place, Middle School Girls).

The contest ends in August, so let's keep cheering for our First Serve kids!
